

The Board of Directors made a decision to allow recreational Swimming (swimming for Children) beyond the times when a lifeguard is present. Children under the age of sixteen (16) years shall not be in the pool area without the supervision of a parent, guardian or caregiver (at least eighteen (18) years of age). The Club will continue to have lifeguards at the normal schedule throughout the year but will allow the **swim at your own risk** by signing a release of liability agreement. If you plan on participating, please download the agreement, sign and bring it by the administration office.
